

# SINGLE-SHAFT-SHREDDER

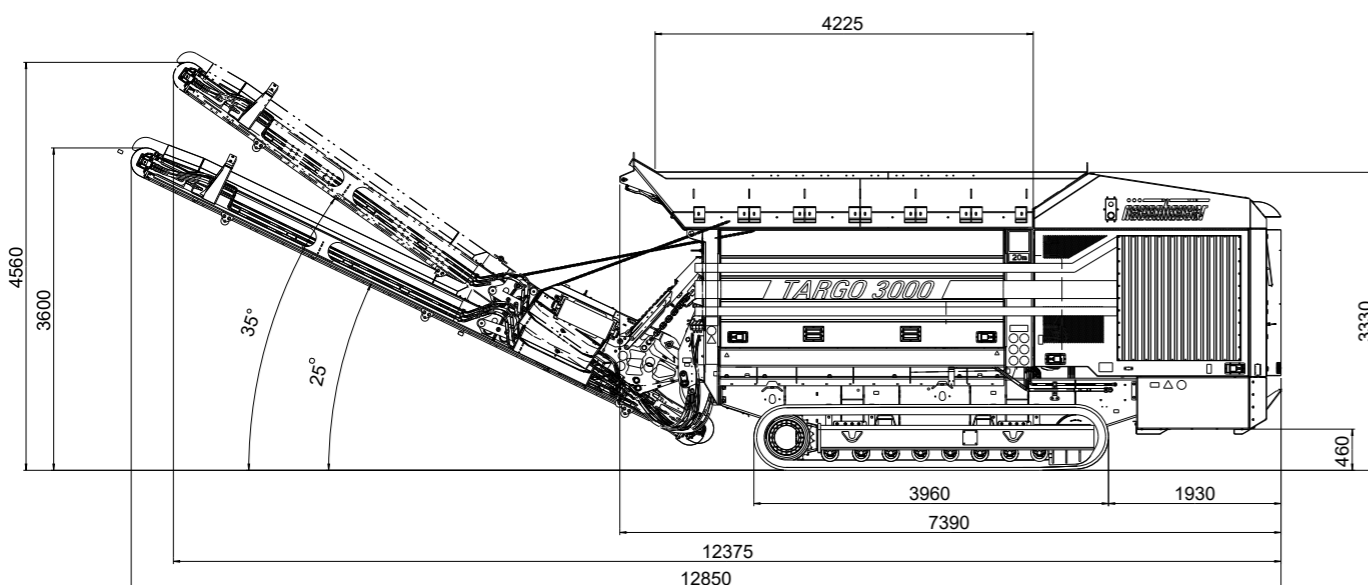

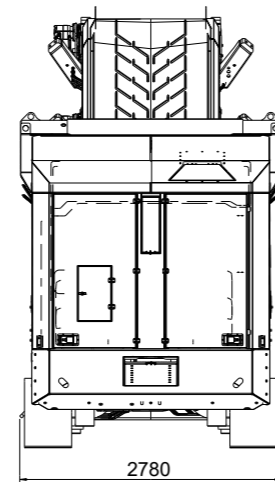

## TARGO 3000 XD TRACKED

### EXTRA DUTY

The TARGO 3000 XD - where XD stands for eXtra Duty.

With a weight of 35 tons, the XD is the real heavyweight champion within its class. The custom-built heavy duty three-stage direct drive gearbox transfers even more torque to the shredder shaft.

Self-driving tracked chassis frame; with two variable driving speeds
